Re: USA v. Dejesus, # 21cr 564 (JMF)

Dear Judge Furman;

Because of delays and Dejesus' unit lockdowns at the MDC it has been difficult to schedule the Presentence Interview for him. MDC will no longer grant telephonic time slots for Probation Interviews according to Probation Officer Hay.

After conferring with Probation Officer Hay I write to request Dejesus' sentencing be rescheduled to a date after Thanksgiving convenient to your Honor.

The Government by AUSA Kevin Mead consents to this request.

Thank you.

Respectfully,

B. Alan Seidler
